

## NEMTEK ENERGIZERS CURRENTLY SUPPORTED

The following Nemtek electric fence energizers with cellular or wifi connectivity enabled are supported:

Wizord 2i	Druid 13LCD
Wizord 4i	Druid 15LCD
Merlin 4i	Druid 25LCD
Merlin Stealth 18	Druid 18LCD
Merlin Stealth 28	Druid 28 LCD
Agri 80, 150, 200	Druid 114

\* Please note that features available depend on the model of energizer. The Druid 25LCD and Druid 28LCD have all the features available.

\*\* For any Wizords manufactured before 2019, a hardware update may be required

## SCALABLE ACROSS APPLICATIONS

From a single rural energizer to a multi-zone industrial fence, Nemtek Connect scales to suit:

- Residences, Complexes & Office Parks
- Agriculture & Livestock
- Game Reserves & Wildlife Control
- Industrial & Commercial Security
- Government, Utility & Military Sites

# NEMTEK CONNECT

**CONTROL AND MONITOR  
YOUR ELECTRIC FENCE -  
REMOTELY, SECURELY  
AND INTELLIGENTLY**

# WHAT IS NEMTEK CONNECT?

Nemtek Connect is a powerful web and mobile platform that gives you complete control and visibility of your electric fencing systems – from anywhere in the world.

It enables remote management, real-time monitoring, and smart alerts across your agricultural or security fencing systems.

REMOTE MANAGEMENT

REAL-TIME MONITORING

SMART ALERTS

Available with cellular or Wi-fi connectivity options to suit your needs

WI-FI

OR

CELLULAR

## FEATURES

### REMOTE ON/OFF

Programme and switch energizers on/off remotely from your device

### INSTANT ALERTS

Receive alerts instantly for fence faults, voltage drops, tampering or power issues

### PANIC BUTTON

Link your app to your alarm company to raise an alarm

### FULL HISTORY LOGGING

Access performance analytics to troubleshoot faster with detailed event timelines

### MULTI-SITE DASHBOARD

Manage multiple sites from one account

### UNLIMITED MULTI-USER ACCESS

No limit on the number of users

### SECURE ROLE-BASED ACCESS

Admins, technicians and clients can each have the access they need from any device

### FENCE PERFORMANCE ANALYTICS

View fence and energizer status in real time

## HOW IT WORKS

- 1 Simply add a Nemtek Connect module to your Nemtek supported energizer
- 2 Download the Nemtek Connect app from the Apple App Store or Google Play Store - simply search for "Nemtek Connect"
- 3 Load your energizer/s onto your app and authenticate them
- 4 Allocate users and their permissions
- 5 Get programming and monitoring your energizers from anywhere and have added peace of mind on the status of your electric fence/s

Its that easy!

Simply search for "Nemtek Connect"
